BOOK

The screenshot shows a mobile application interface for 'CITY PLACE'. At the top, there is a header bar with a back arrow, a search bar containing 'ABOUT CITY PLACE', and a user profile icon labeled 'MY PROFILE'. Below the header is the 'CITY PLACE' logo. A navigation menu bar contains icons for Latest, Services, Concierge, Bookings, Shop, and Directory.

The main content area features a large banner image of a modern building complex. Below the banner, a breadcrumb navigation path reads: > Bookings > Facilities > Loading Dock.

On the left side of the screen, there is a vertical sidebar with three images: a car in a parking garage, a woman in a yoga pose, and a plate of food.

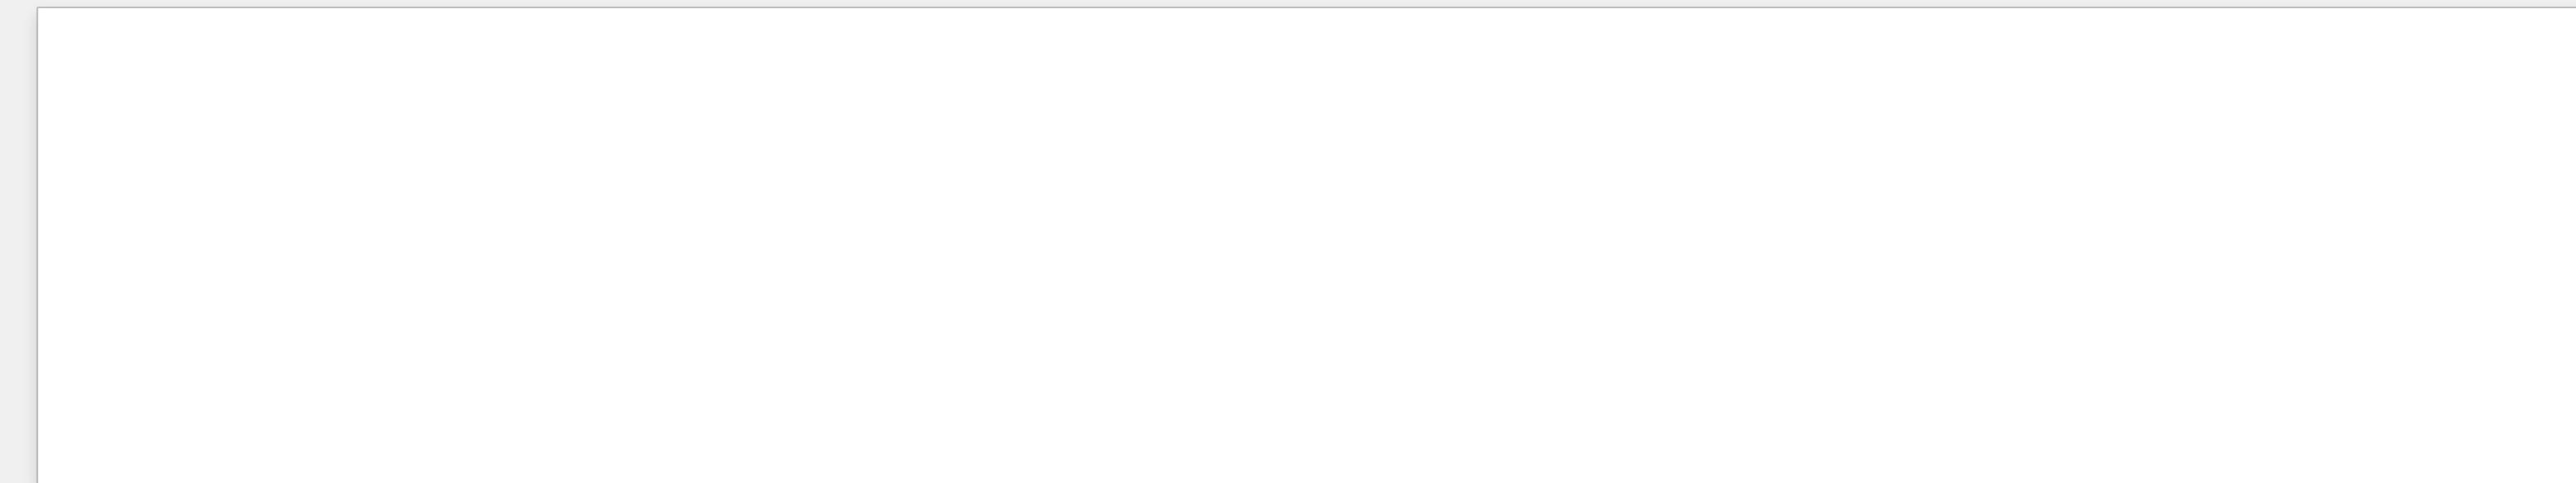

The central content area has a title 'CITYPLACE Loading Dock' and a subtext: 'Lorem Ipsum is simply dummy text of the printing and typesetting industry. It is a long established fact that a reader will be distracted by the readable content of a page when looking at its layout.' A blue 'Read More...' button is visible.

A large green checkmark icon is centered in the middle of the screen, indicating a successful booking submission or confirmation.

Below the checkmark, the text 'BOOKING SUBMITTED / CONFIRMED' is displayed in bold capital letters.

Further down, a message says: 'Thank you for your booking. You will receive a notification when your booking has been approved by our team.'

At the bottom of the screen, there are two buttons: 'ADD TO CALENDAR' with a calendar icon and 'SHARE VIA EMAIL' with a share icon.
